# OCC-FDU Scholars Program

Complete your undergraduate or combined bachelor's/master's degree — at either of FDU's northern New Jersey campuses — with guaranteed scholarship support.

Fairleigh Dickinson University and Ocean County College offer a dual admissions program that enables you to complete the courses required for Fairleigh Dickinson University undergraduate and select combined bachelor's/master's programs by earning an associate degree at **Ocean County College**.

The OCC-FDU Scholars Program provides the necessary support and administrative services for Ocean County College students to transition to bachelor of arts, bachelor of science or combined bachelor's/master's degree programs at Fairleigh Dickinson University.

## How the Program Works

- You can enroll in the program as an entering freshman or during your first year at Ocean County College by completing an OCC-FDU Scholars Program Intent to Enroll form.
- All credits you successfully complete at OCC toward your associate degree — up to a maximum of 64 credits — can be considered for transfer toward Fairleigh Dickinson University's bachelor's or combined bachelor's/master's programs.
- FDU offers more than 100 degree programs and concentrations in business, education, engineering, hotel/restaurant management, liberal arts, nursing and allied health, and the sciences.
- You also can choose from nearly three dozen combined degree programs that allow you to complete a graduate degree through accelerated studies.
- You have the option of enrolling at FDU's Florham Campus (Madison, NJ) or Metropolitan Campus (Teaneck, NJ).

## Scholarship Benefits of the Program

Upon earning your associate degree at OCC and enrolling at FDU, you will automatically qualify to receive a **40% reduction** from the appropriate FDU tuition rate.

You may also qualify for the following additional scholarship incentives:

- If you are a **Phi Theta Kappa (PTK) scholar**, FDU will award you an \$18,000 annual scholarship in lieu of the 40% tuition reduction.
- If your **cumulative GPA is 3.5** or greater at OCC, you will receive a \$1,000 annual scholarship at FDU in addition to the tuition reduction.
- If you qualify for **NJ STARS II**, you will receive the \$2,500 scholarship from the state of New Jersey in addition to FDU's 40% tuition reduction or PTK scholarship.
- If you enroll in one of **FDU's combined bachelor's/master's programs**, you will receive a 40% tuition reduction for the graduate year (unless you are enrolled in a graduate program that is offered at a more favorable tuition).
- If you choose to **live on campus**, you will receive a \$1,500 annual housing grant.
