

Thank You

for investing in the future of
the **OCC Sailing Program.**

SAFE Sailing Operations

The OCC SAFE sailing program is dedicated to the proposition that sailing is for everyone! We offer a fun, beginner sailing experience to the community that is directed towards non-sailors using specially accessible boats for people unfamiliar with sailing and boating. We have fully accessible docks and adaptable boats for people with disabilities, impaired veterans, the elderly, those in recovery, and beginner sailors. We provide the fun and freedom of sailing to those who would otherwise not be able to access these experiences.

OCC Sailing Team Operations, Equipment, & Regatta

The OCC sailing club/team is open to all full time OCC students. NO experience is necessary to join! Interested students learn how to sail and then learn how to race. OCC has an intercollegiate sailing team that sails against the top four-year schools in the nation. The college is committed to providing a first class sailing experience and training ground for our future skippers and crew members in Ocean County. Donation to this areas will benefit the activities of our sailing club and team.

Sailing Program Endowment Fund

The OCC Sailing Program Endowment Fund is set up to ensure the financial stability of all sailing programs and activities at Ocean County College. By donating to this fund, you are ensuring the future success of both our SAFE Sailing and Team Operations.
