POLICY

1. Students are responsible for knowing their own academic progress. Students must be able to obtain from instructor, evidence of their academic progress in the current LMS. Grades for assignments should be updated on a weekly basis.

2. Grading System

The following grading system is used:

UNEARNED GRADES

| R     | Registered for    | n/a |
| T     | Transfer          |     |
| W     | Withdraw          | n/a |
| CR    | Credit            | n/a |
| NC    | No Credit         | n/a |

Semester hours of credit in which a grade of A, B+, B, C+, C, D, or *P has been received are defined as "earned" semester hours. Quality points are earned for A, B+, B, C+, C, or D grades and, thus, affect the cumulative grade point average.

Semester hours of credit in which a grade of A, B+, B, C+, C, D, or F has been received are defined as "attempted" semester hours. These grades count as attempted hours in computing the cumulative grade point average.

Grades of P, R, T, CR, NC, or W are neither "earned" nor "attempted." These do not affect the cumulative grade point average.

3. Grade of "I" (Incomplete)

In order to be eligible for a grade of "I" (Incomplete), a student shall have a reasonable chance at passing the course at the time of the request, as deemed by the instructor. The grade of "I" (Incomplete) may be awarded by an instructor if he/she approves a Request for Incomplete form received from the student no later than the day of the final examination. A valid reason for the request must be offered. The faculty member must respond to the student by completing the
Request for Incomplete form. If the instructor approves the request, the instructor must provide a plan and approved deadlines for the completion of the work. For fall courses in which an Incomplete is granted, work must be completed no later than March 15th of the subsequent semester. For spring and all summer sessions, work must be completed no later than October 15th of the subsequent fall semester. If the student is enrolled in a course for which the "I" grade course is a pre-requisite the work for the incomplete course must be made up by the fifth day of the next regular semester or the student will be administratively withdrawn from the higher level course. When the work is completed, the permanent grade will be recorded by the instructor and a corrected grade report will be prepared. If the work is not completed by the required due date, the grade of "F" will automatically be recorded. Faculty must maintain a record of students' written requests for "I" grades.

4. Grade of "R" (Registered for Audit)

The grade of "R" (Registered for Audit) will be recorded if the student so requests at the time of registration or during the "add" period and the instructor approves. Students registered for audit are expected to participate in all course activities but receive no credit. Any course for which a student receives an "R" may not be used as a prerequisite. In special circumstances, a student may appeal in writing to the Academic Standards Committee for permission to change to audit, if passing. No student may change from audit to credit. A student may change from credit to audit with the permission of the instructor. An instructor may request the Vice President of Academic Affairs to administratively withdraw a non-contributing or non-participatory audit student and assign a grade of "W." Students may not audit courses in which they have an "I" grade.

5. Grade of "W" (Withdrawal)

The grade of "W" will be assigned when a student withdraws or is administratively dropped from a course in accordance with College policy (see Procedure).

6. President's Honor List

The President's Honor List is official recognition by the faculty of outstanding academic achievement. A student who has completed a minimum of 12 credits, with a semester grade point average of 3.50 or better and no grade lower than a "C" in that semester, qualifies for this honor. The President's Honor List is compiled each semester, including the summer session. Part-time students are eligible for this honor at the completion of 16, 32, 48 and 64 credit hours respectively, with a cumulative grade point average of 3.50 or better.

Enrollment on a full-time or part-time basis does not have to be maintained during consecutive semesters to qualify. If a student stops attending for one semester or more, the cumulative average will be the determinant.

7. Pass/No Credit

A full-time student who has completed his/her freshman year may register for one free elective course outside of his/her major field on a pass-no credit basis each semester beginning with his/her third semester. A part-time student who has earned a minimum of 28 semester hours of credit may register on a pass-no credit basis for one elective course during any succeeding semester for a
maximum of three courses. Students so registered shall be expected to complete all course requirements. The grade of "P" will be recorded for successful completion of each course with semester hours of credit applied toward degree. A grade of "NC," No Credit, will be used to indicate unsuccessful completion of the course and will appear on the permanent record. In neither case will the cumulative grade point average be affected.

8. Honors by Contract Program

The Honors by Contract Program allows high achieving students the opportunity to work individually with faculty members on directed higher-level educational activities that are related to course objectives while being enrolled in a regular course.

Students complete the regular course assignments in addition to faculty directed higher-level academic assignments. Students completing Honors by Contract courses will have the designation denoted on their transcripts. Students who successfully complete four Honors by Contract courses with an overall grade point average of 3.5 or above will graduate from Ocean County College with the designation of Ocean County College Honors Students. This designation will be noted on the students’ transcripts, diplomas, and in Commencement programs.

All students with a grade point average of 2.5 or above, or its equivalent, from high schools, other higher education institutions, or Ocean County College are eligible to enroll in the Honors by Contract courses. Students may only enroll in two Honors by Contract courses per semester. Students enrolled in any remedial courses may not participate in the Program. Students may appeal to the Vice President of Academic Affairs for special permission to participate in Honors by Contract courses. Faculty members who teach college-level courses (100 level and above) may participate in the Honors by Contract Program; however, ACAD 155 may not be included.

The guidelines to be followed for the Honors by Contract Program are included with the Honors by Contract application.

9. Nursing Program

In order to fulfill program requirements, students enrolled in the Nursing Program must obtain at least a "C" in all the courses listed in the Nursing Program curriculum guide, including NURS and BIOL courses and courses satisfying the OCC and general education requirements. A "D" in these courses (like an "F") is a non-passing grade.

A student receiving his/her first non-passing grade in any NURS course (clinical or non-clinical) may repeat the course only once. If unsuccessful on the second attempt, the student is dismissed from the Nursing Program.

If a student achieves a second non-passing grade in a subsequent clinical NURS course (NURS 175, 176, 273, 274), he/she will fail out of the Nursing Program.

A student who has failed out of the Nursing Program due to academic (as opposed to clinical) performance may automatically apply for readmission.

A student who has failed out of the Nursing Program due to clinical performance in at least one NURS course cannot automatically reapply to the program but may contact the Nursing Program administrator for consideration on a case by case basis.
10. Developmental Courses

A passing grade for courses designated as developmental is “C” or better. These courses may not be used for credit toward graduation.

PROCEDURE

1. Course Withdrawal

Students are responsible for knowing their own academic progress. In order to make rational decisions regarding course withdrawal, students must be able to obtain from faculty evidence of their academic progress prior to the course withdrawal deadline. Specific information pertaining to grades that may be recorded when a student withdraws or is withdrawn are detailed in the procedures for Policy #5142.

a. A student who has a documented emergency or other documented extraordinary circumstance may appeal his/her grade of “F” to “W” in writing to the Academic Standards Committee through the Office of Academic Affairs. This written appeal must be made within one semester of the grade verification. The course instructor must approve the change of grade.

b. Students officially withdrawing up to the tenth day of classes (fifth day in summer sessions) will receive no grade nor will records be kept concerning course enrollment.

c. The semester grade as reported (or confirmed in the case of “W” or “F” issued before the end of the semester) to the Registrar at the end of the semester is final and will not be changed except on the written explanation of the instructor and approval of the Vice President of Academic Affairs.

2. Quality Point Averages

a. Only final course grades are used to compute quality point averages. For all purposes of record and reference, the cumulative grade point averages do not change at any time except at the close of a semester, including summer or other shorter sessions.

b. A semester grade point average is the total number of quality points earned in a particular semester or summer session, divided by the total number of attempted semester hours for that semester.

c. A cumulative grade point average is the total number of quality points earned at Ocean County College in all semester and summer sessions divided by the total number of attempted semester and summer sessions. Transfer credits do not affect quality points.

d. The grade of “W”, “P”, “P”, “T”, “NC”, and “R” are not included in any quality points.

3. Course Repeats

Students may repeat any course offered by the College subject to the restrictions described below.

a. The highest grade shall be applied to the cumulative grade point average and toward total credits. The lower grade(s) shall remain on the student’s permanent record and be marked “repeated” but shall not be included in the grade point average or toward total accumulated credits before graduation.
b. Nursing Program: Re-entry after Withdrawal/Failure

A nursing student may temporarily leave the Nursing Program for one semester and return the following semester without penalty. While not enrolled in courses, the student has inactive status in the program. Students who plan to seek inactive status must notify the Nursing Office in writing. A student may have no more than a four semester period of inactivity. The period of inactive status begins following the student’s last successful NURS course. A student is not guaranteed a seat in the course the next time it is offered.

If a student leaves for more than one semester, he/she must take and successfully achieve the passing grade for the OCC Test of Prior Nursing Knowledge and complete the required practicum before re-entering the program even if he/she has already successfully completed any NURS course. A student is not guaranteed a seat in the course the next time it is offered.

If a student exceeds the four-semester limit (based on the last successful NURS course), he/she will be automatically dismissed from the Nursing Program and will be required to reapply to the program and satisfy any new and/or additional requirements prior to acceptance.

All prior NURS courses must be re-taken, even if the student had been successful in the past.

c. Armed Forces Active Duty

Upon submission of the appropriate documentation to the Registration and Records Office, a student who is recalled from reserve status or is engaged in oversees active duty may elect to do one or more of the following:

a. Withdraw from or all classes, and receive a “W” grade and a full refund from each class from which he/she withdraws.

b. Arrange with the instructor(s) a way that the remainder of the class can be completed so that a grade may be assigned.

c. Arrange with the instructor(s) that an Incomplete grade (“I”) be given with a longer time frame than the usual (see Policy item 2, above). To use this option, the student and instructor must complete the appropriate form, which delineates the course requirements that must yet be met and the date by which those requirements must be completed.
